High School Diploma (September 2021-June 2025) - Choate Rosemary Hall

- Senior Year GPA: 4.08 unweighted
- Dean's List, all semesters
- Honneagar Prize for Special Achievement in Dramatics
- Classes: Introduction to Psychology, Cognitive Psychology, Abnormal Psychology, Neuroscience and Behavior, and Anatomy and Physiology

Undergraduate, Bachelor's of Clinical Psychology (September 2025-Present) - Tufts University

- GPA: 3.87 unweighted
- Classes: Psychopathology, Personal and Social Development, Social Psychology, Introduction to Cognitive and Brain Science

## Experience

Summer Camp Counselor (July 2023-Present) - Southington/Cheshire YMCA

- Work with a cohort of 8-10 kids ages 6-7 throughout the camp day
- Includes time spent with children with disabilities, ranging from ADHD to ASD.
- Mentor for counselors in training; teaching them how to lead kids through the camp day, including a swim period, rotating activities (rock wall, kickball, arts and crafts, etc) and a unit period with all the kids of the same age group.

Academic Immersion Summer Program, Experimental Psychology (July 2024-August 2024) - Boston University

- Designed a research question and Qualtrics survey about perception of gender and likelihood to take over-the-counter pain medication
- Analyzed results using chi squared testing to draw conclusions and see significance of results
- Presented findings to professors, peers, and parents
